About Clearwater Marine Aquarium:

Clearwater Marine Aquarium (CMA) is a 501(c)(3) nonprofit working marine rescue center dedicated to preserving our marine life and environment while inspiring the human spirit through leadership in education, research, rescue, rehabilitation and release. CMA is home to rescue dolphins, sea turtles, river otters, stingrays, nurse sharks and more. Winter, the dolphin's story of survival after injury that caused her to lose her tail, has impacted millions of people around the world. A major motion picture, *Dolphin Tale*, highlighted her life story in 2011. The sequel, *Dolphin Tale 2*, was released in September 2014 and features the incredible story of Hope, a young resident dolphin of CMA. The mission and potential to change people's lives differentiates Clearwater Marine Aquarium from any other aquarium in the world.

WE BELIEVE in preserving our marine life and environment while inspiring the human spirit through leadership in education, research, rescue, rehabilitation, and release.
